Most people have three meals every day; breakfast, lunch and dinner. They eat these meals at known times, in the morning, in the afternoon and in the evening. But in fact most of them do not care about what they should eat for each meal.

Doctors say that healthy food is very important, and people should eat lots of fruits and vegetables. People should not eat too many cakes, crisps, sweets and fast food because they are unhealthy foods and they always cause health problems. Doctors advise people to drink a lot of water and milk every day and not to have too many sugary drinks. Doctors advise people not to stay at home all the time to keep healthy. They should go for walks, do exercise or practise any sport.

The Baheya Foundation in El Haram, in Cairo, opened in 2015. From 2015 to 2020, the Foundation helped 120,000 women. The charity takes its name from Mrs Baheya Othman Wahby who sadly died from **cancer**. She is a lady from an Egyptian family. When she was ill, her family saw that people with cancer needed more help, so they decided to change her house to a hospital for women with cancer. Now, Mrs Baheya Wahby's house is a special hospital to help women from poor families with the disease. Expert doctors and nurses use modern technology to help them. Some of the staff are volunteers.

The foundation understands that in Egypt, women always put their home and family before their own health, and is trying to change this by the idea that women need to be healthy to look after their families. Her advice to all women is: "Don't wait to the last moment, start at the age of 30. Eat healthy meals and walk or do sports for 20 minutes at least four times a week."

A) Answer the following questions:

Last week, I went to Luxor Museum with my class. The museum is further from my home than our school. We were travelling for a long time! We arrived at 10:30 am. As we were walking into the museum, we saw some big statues. My favourite was the Statue of Ramses II. There were also rings and necklaces that once belonged to rich Egyptian families. There were a lot of small coins from the same time, too. The museum has some very old objects. My favourite objects were the metal bowls from the fourteenth century. The oldest objects in the museum were the tools. Some were made of metal and some were made of stone. While I was reading the information, my friend found a tool that was 10,000 years old.
